Professionals for Sewerage System Regulation

Last Name: _____ First Name: _____

System ID: _____ Location: _____

Contact Number: _____ Email: _____

DECLARATION STATEMENT:

I self-declare that, in accordance with Clause 2 of the Engineers and Geoscientists BC Code of Ethics, I am qualified by training and/or experience to undertake this area of engineering practice. Training is formal academic courses successfully completed and experience is learning under the direct supervision and full responsibility of another professional engineer who is qualified. Qualified also includes confirmation that I am competent to practice and am fully familiar with the *Sewerage System Regulation*, industry standard practice and the *Sewerage System Standard Practice Manual*, latest edition.

List of training and/or experience that qualifies me to practice in this area of engineering.

I authorize Engineers and Geoscientists BC to use my contact details as provided above in the Engineers and Geoscientists BC listing of Professionals for Sewerage System Regulation and to release that information to potential users of my services.

I understand that:

- my participation in the listing of Professionals for Sewerage System Regulation is voluntary;
- I can withdraw my participation in the listing of Professionals for Sewerage System Regulation at any time by notifying Engineers and Geoscientists BC;
- Engineers and Geoscientists BC may at any time, and upon notifying me, remove my name from the listing of Professionals for Sewerage System Regulation; and
- Engineers and Geoscientists BC may at any time restrict or discontinue the use of the listing of Professionals for Sewerage System Regulation.
